TRIPP·LITE
by EAT•N

Whether you are an installer, integrator, end user or reseller, you'll benefit from our commitment to bringing the plug-and-play simplicity and affordability of IT equipment to the Pro AV market.

Perfect for Jobs Big and Small

Field-proven in countless commercial installations, our Pro AV solutions support digital signage, video conferencing, collaboration, work-from-anywhere, projector and display applications in corporate, retail, government, education, healthcare, house-of-worship, home and hospitality (hotel, restaurant, bar) environments. Whether you need one adapter for a teleconference room or a complete solution for a corporate facility, we have the answer.

Available and Affordable

We offer an improved Pro AV experience that replaces complexity with simplicity and sticker shock with affordability. Our Pro AV solutions are quick to ship, a breeze to install, easy to use and kind to your budget.

Old-Fashioned Service Excellence

Our in-house support team makes sure everything works together and sets you up for success before you go on-site. And if you run into unexpected roadblocks, they can provide quick answers via phone, email or chat before delays cost you time and money. They have years of experience solving problems installers face in the field.
