

How to connect Eaton's EV smart breaker with the Brightlayer Home app

Step 1 Install EV charger

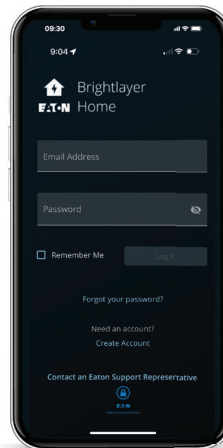

Ensure that the EV charger is installed and powered up.

Refer to the instructions in the box.

Always use a qualified electrician.

Step 2 Download the app and create an account

Download the Brightlayer Home app on the Apple App Store or Google Play Store.

Create an account and verify it with an active email address.

Log in at the home page.

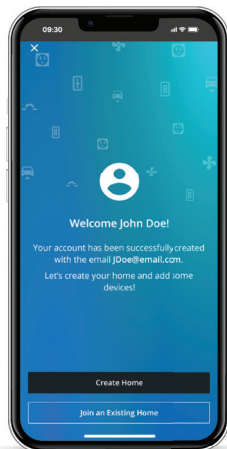

Google
Play install

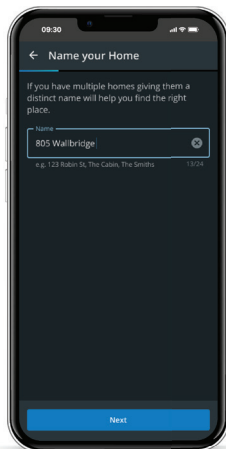

iOS install

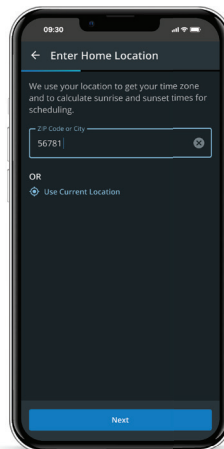

Step 3 Create Home

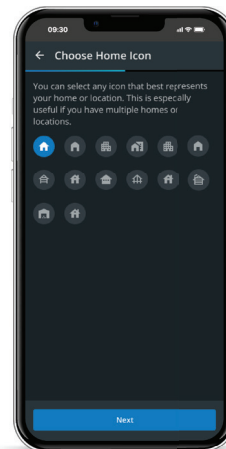

Once account registration is successful. Select 'Create Home'.

Create a name for your Home.

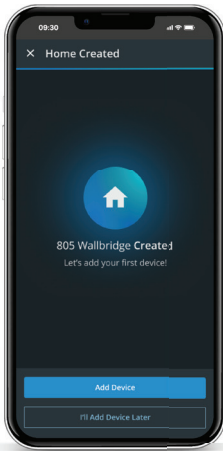

Add your location.

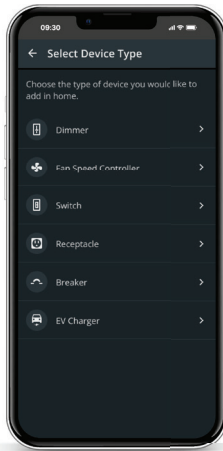

Select an icon.

Step 4

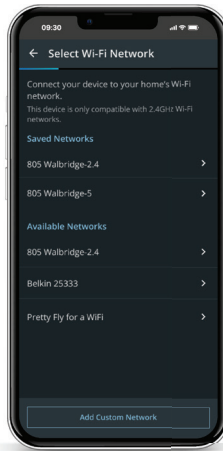

Add new breaker

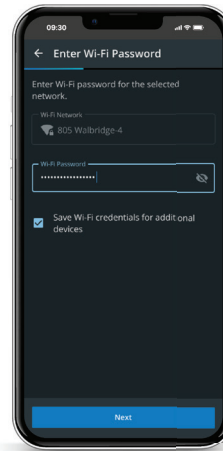

Select 'ADD A DEVICE'.

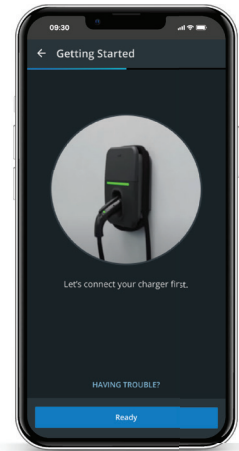

Select device type
as EV charger.

Select Wi-Fi network.

Type in your Wi-Fi
credentials.

Step 5

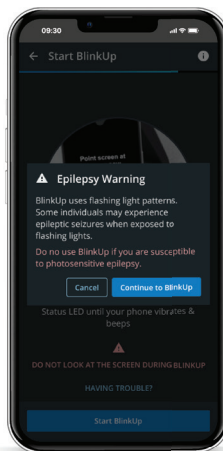

Enable BlinkUp

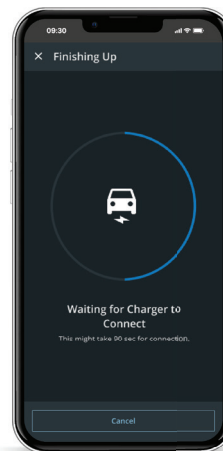

On the EV smart
breaker, press the
"DISPLAY" button
and ensure that the
Network Status LED is
blinking. If it is, then
touch the "NEXT"
button on your phone.

After reading the
instructions on the
phone, touch the
"START BLINKUP"
button.

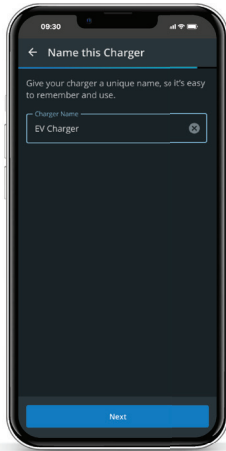

After reading the
Warning message,
touch "Continue to
BlinkUp", then place
your phone's screen
AGAINST the Network
Status LED on the EV
smart breaker until
your phone vibrates
and beeps.

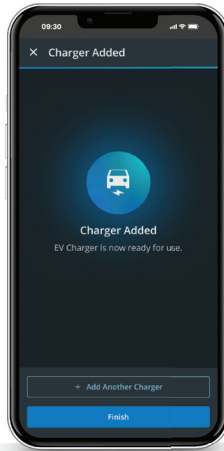

Note: Do NOT look
at the screen during
BlinkUp. This should
take no more than 90
seconds. If your device
is already blinking
orange, it failed to
connect. Touch the
"CANCEL" button to
try to connect again.

Step 5

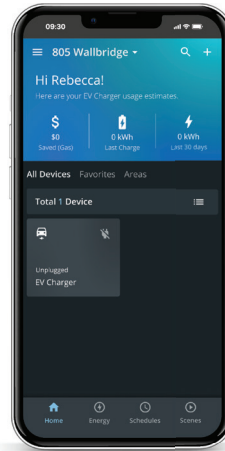

Add device details

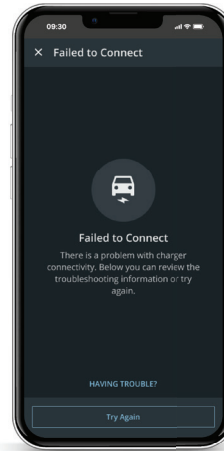

Enter a name for your EV smart breaker.

Once the BlinkUp process is complete, you will be notified when the device is successfully connected to the Wi-Fi network.

You should now see the EV charger in the Device tab.

Note: In the case your EV smart breaker does not connect, review the troubleshooting information.

- Check you entered the correct Wi-Fi credentials.

Note: These can be case sensitive.

- Ensure your phone is touching the EV smart breaker during BlinkUp process until your phone vibrates.
- If problems persist contact BLsupport@eaton.com or the Eaton Technical Resource Center at 1-877-ETN-CARE (386-2273) option 2, option 9 for further assistance.
